

ART PROJECT

Purpose of project is:

- To read and learn about the life of a renowned (famous) artist.
- To examine art work created by an artist and reflect on that art.
- To create work similar to the work of the artist researched.
- To share knowledge learned.
- To demonstrate ethical use of technology by citing sources used during research.

Tasks:

- Read about your artist life.
- Use provided links below to view art created by your artist
- Use "Paint" to create work similar to the work of your artist.
- Use PowerPoint to share knowledge learned.
- Use Noodletools to create a "Works Cited" page.

Below are some sites on the WWW that will be useful as you read and learn about your artist. The links are the names of the websites. For citing purposes you will need to find additional information about the site including such things as the copyright and the author of the site. This information can usually be found by clicking on the "home" or "about us" links.
